4	Reasoning	20 Questions
5	General English	20 Questions

- The test of Punjabi Language (Part-I) will consist of 50 objective type questions (MCQ) and shall be a mandatory qualifying test and failure to secure a minimum of 50% marks (i.e. 25 marks) in Punjabi Language test (Part-I) will disqualify the candidate for being considered in the final merit list of candidates to be selected for document checking irrespective of their scores or marks in Part-II of the online test.
- **All the multiple-choice questions of Part-I will carry one mark for each correct answer and there will be no negative marking.**
- Part-II of Online exam will be bilingual (English/Punjabi). Thus, during online examination candidates will have the option to choose language (English/Punjabi) of examination and the Part-II question paper will consist of 100 objective type questions (MCQ).
- **All the multiple-choice questions of Part-II will carry one mark for each correct answer and there will be negative marking for a wrong answer @ 0.25 (1/4th) of the marks allotted for correct answer.**
- The exam would be of 3 hours (180 minutes) duration

5.1 Minimum qualifying marks in the online test:

General Category candidates: 45%

Reserve Category candidates: 35%

Reserve category candidate includes Economical Weaker Section, Scheduled Caste, Backward Class, Ex-Serviceman, Freedom Fighter, Sports person & Person with Disability candidates.

5.2 **Normalization:**

Normalization means adjusting values measured on different scales to a notionally common scale.

Need for Normalization in Exam

Exam pertaining for a particular post/course could be spread across multiple shifts which will have different question paper for each shift. The normalization is to be done by considering the difficulty level of each set, since the questions may be different in different sets and difficulty level of a particular set may be different from other sets.

Hence the normalization of scores needs to be carried out for all the candidates who had written the exam, across shifts for the same post/course.

Normalization Method to be applied shall be as per Annexure– ‘B’.

6.0 **ABOUT THE ONLINE TEST: -**

a) The information regarding the online test (admit card, date & time of exam etc.) will be made available on website www.pspcl.in from time to time.

The online test is tentatively scheduled to be held at any Centre in Punjab/Chandigarh which will be intimated while sending/uploading the admit card through PSPCL website (www.pspcl.in). The test Centre will be allotted by PSPCL while sending/uploading the admit card and no change of test Centre will be permissible. The exact date, time and venue of the online test and information regarding dispatch/uploading of e-Admit Cards to the candidates, with instructions of the test will be made available prior to the date of the test by email and on website of PSPCL.

b) Firstly, the admit cards with particulars of the candidates except test center will be uploaded at least 7 days before the date of exam. Final admit card with test center shall be made available at least 3 days before the date of exam.

c) After conduct of the online test, the question paper-cum-answer key will be displayed on PSPCL's website (www.pspcl.in) and notice will be issued, wherein, if a candidate have any objection on the answers displayed on website, then he/she can file objection regarding the same as per guidelines in the notice. On the basis of objections received, the question/answer keys will be reviewed by the expert committee and final merit shall be prepared accordingly. Normalization formula, as & if applicable, will also be applied on the merit list prepared after reviewing of the objections. The decision taken by expert committee shall be final.

7.0 **Merit:**

- a) The merit list of candidates shall be prepared on the basis of marks scored in online exam and only those candidates shall be considered in merit list who scores minimum qualifying marks in online exam as mentioned above.

- b) In case online exam is conducted in a single shift, result/final merit list shall be prepared on the basis of actual marks secured by the candidate in online examination.

It is informed that online exam conducted for a particular post may be spread across multiple shifts which will have different question paper for each shift. As such normalization (as above) will be done in order to neutralize the effect of difference in difficulty level of each set of papers in different shifts. The final merit list will be prepared on the basis of marks worked out after normalization in case exam is conducted in multiple shifts. Thus, raw marks may vary with normalized marks in the final merit list.

- (x) The category-wise final merit shall be prepared based on the marks secured in Computer based test only (except for Sports person category candidates whose final merit shall be prepared by the O/o Director/Sports, Punjab as per Sports gradation policy no. 47/26/83-5Edu./2036 dated 10.12.1997 and Punjab Recruitment of Sportsman Rules, 1988 with applicable amendments, if any. The O/o Director Sports, Punjab is the competent authority to issue Sports Gradation Certificate and any other Sports Certificate issued by any other authority will not be accepted as valid Certificate for claim of reservation under the Sports Person, Punjab Category).

Important instructions for Sports Person category candidates:

- Sports Gradation certificates will be sent to the O/o Director/Sports, Punjab for verification and for issue of final list/merit of Sports person category. Therefore, the Sports Person category candidates will be called for the process of document checking as per the merit prepared by Director/Sports, Punjab.
- Sports Person category candidates who are interested in applying for the post in PSPCL are required to submit their Sports Gradation certificates in the Recruitment Section, Head Office, PSPCL, Patiala before or upto the last date of submission of online application. Candidates are advised to submit their Sports Gradation certificates within the stipulated time. If any candidate has applied for more than one post then he/she has to submit Sports Gradation certificates separately for each post.
- Further, if two or more candidates have secured same marks in Computer based test, then their relative merit shall be determined by their age where higher age candidate shall be placed at higher merit.

8.0 Document checking process:

On the basis of result/merit list, candidates who qualify in online examination shall be called for document checking. Candidates must produce original documents/certificates before the document checking committee wherein their fulfillment of eligibility criteria w.r.t. to qualification, age, reservation etc. As per CRA, original documents shall be checked and then be returned to the candidates on the same day after checking. However, the candidates must submit one photocopy of all the documents, duly self-attested, to the document checking committee. The date of document checking shall be notified through registered e-mail IDs (as mentioned by the candidate in his/her online application form) and on

PSPCL's website (www.pspcl.in) only. Thus, candidates are advised to mention their email IDs very carefully and to visit the PSPCL site frequently. Further, the candidate shall also produce any document as a proof regarding reservation etc asked by the document checking committee at the time of document checking or at any other stage.

Note:

- i) It is further clarified that mere calling of any candidate for document checking doesn't entitle him/her for selection/appointment to the said post.
- ii) For the post of Fireman, candidates must have to pass the physical test as mentioned in clause 2.1 (Sr. no.10).
- iii) Candidate shall be notified about the date of document checking through Registered E-mail ID (as mentioned by the candidate in his/her online application form) and on PSPCL's website (www.pspcl.in) only. *In case candidate does not appear on the 1st scheduled date, then 2nd chance (final chance) would be given to such candidate and in case he/she again fails to appear for document checking even on 2nd chance (final chance), then no further chance would be given & his/her candidature shall be cancelled/forfeited without any further notice.*
- iv) Candidate has to himself/herself appear for the process of document checking. Nobody on candidate's behalf can appear in the document checking. In case candidate himself/herself fails to appear before the document checking committee within stipulated time, then his/her candidature will be cancelled/forfeited without any further notice.

9.0 Offer of appointment/Joining: -

The successful candidates qualified in the online test and have successfully completed the process of document checking relating to the various qualifications and eligibility criteria such as age, academic qualification, passing of Punjabi language, Physical Fitness Standard & certificates in respect of reservation etc. and found eligible after checking of his/her documents, shall be considered on the selection panel.

Note:

- i) The candidature of a candidate will be rejected without any notice if any information, certificate or document provided by the candidate is found to be wrong/fake/fictitious/forged or bogus or does not meet with the eligibility criteria(s) as mentioned in the CRA. The candidate must acquire the requisite qualification upto the last date of submission of online application and shall produce proof for the same. Candidate, who fails to do so even if he/she has qualified the online exam shall not be considered and no relaxation shall be given in this regard.
- ii) The offer of appointment, for the number of posts to be filled, shall be issued by the appointing authority to the candidates brought on the selection panel.

- iii) Those candidates who has been issued appointment letter shall be given 21 days to join the services of PSPCL. In case, candidate does not report for joining on scheduled date, then final/last notice of 21 days will be given to such candidates. In case, any candidate fails to join PSPCL within stipulated time period, his/her appointment letter shall be cancelled automatically without any further notice.
- iv) Candidate has to deposit all his/her original documents at the time of joining in the office of appointing authority for getting the same verified by appointing authority.
- v) Validity of selection panels for above said posts will be one year from the date of approval of 1st selection panel by the competent authority. After the expiry of validity of panel, waiting list shall cease to exist and candidates in waiting list will not be considered for selection. Even if document checking process of a candidate has been completed, he/she will not be considered for selection/issuance of appointment letter after expiry of validity of panel **as mere calling of any candidate for document checking doesn't entitle him/her for selection/appointment to the said post.**
- vi) Candidates working in Government/Semi-Government or Cooperative organizations shall have to submit "No objection certificate" from their organization after resigning and before joining PSPCL.

10.0 Training: -

PSPCL may depute the selected candidates to undergo training at Technical Training Institute, PSPCL, Patiala or any other institute in India.

Score Normalization

About Normalization

Normalization means adjusting values measured on different scales to a notionally common scale

Need for Normalization in Exam

Exam pertaining for a particular post/course could be spread across multiple shifts which will have different question paper for each shift. Hence the normalization of scores need to be carried out for all the candidates who had written the exam, across shifts for the same post/course.

Normally, after the exam, candidates are provided a window of few days, post the publishing of question paper and the correct keys. Based on the objections raised, SMEs work on that and with customer consultation finalize to ignore some objected questions and the remaining questions will be considered for score evaluation and subsequently the score normalization

Inputs required for score normalization process

1. Raw score report of the candidates who appeared for a particular post, across all shifts
2. The actual number of valid questions to be considered, post the objection

Score Normalization logic

The following has to be calculated across all shifts for all the candidates who have written the exam for the same post

Total Number of Questions (A)

Defined as the number of questions available in the question paper. (eg. 120 questions)

As an example, ASSUME the question papers has 120 questions

Total Number of Correct Questions (B)

Defined as the number of valid questions which have to be considered for score evaluation and score normalization, post the finalization of questions after the candidates have raised objections (if any)

$B = A - \text{\# of questions which are removed post candidate objections}$

ASSUME there are 3 invalid questions in (A)

Then $B = 120 - 3 = 117$

Example: ASSUME a candidate has attempted 103 questions, of which 98 are correct responses and 5 are wrong responses. 14 un-attempted questions will be Blanks

Total Correct Responses (D)

Defined as the number of responses which are answered correctly by the candidate for the total number of correct questions (B)

In the example $D = 98$

Total Wrong Responses (E)

Defined as the number of responses which are answered incorrectly by the candidate for the total number of correct questions (B)

In the example $E = 5$

Total Blanks (F)

Defined as the number of questions which are not attempted by the candidate for the total number of correct questions (B)

In the example $F = 14$

Negative Marks Allotment (G)

In case if there is negative marking then marks will be deducted for every wrong answer. Consider 1 mark for every correct answer and 0.5 marks get deducted for every wrong answer.

In the example $G = 2.5$ as 5 responses are wrong

Candidate Score (prior to normalization) (H)

Total Correct responses (D) – negative marks allotted (G)

In the example $H = D - G = 98 - 2.5 = 95.5$

Candidate Score to be considered for Normalization (C)

Consider the case where scores will be based on 100. So, score (H) of every candidate has to be multiplied by the factor: $100/B$

In the example $C = (H/B) * 100 = (95.5/117) * 100 = 79.5833333$

Now we need to calculate Average and Standard Deviation for each Shift

Calculation of Standard Deviation Example : 9 candidates attended a shift

Xav is the average which is total marks divided by no. of candidates.

	C or X (raw score for 100)	$x = (X - X_{av})$	x^2
1	29	-36	1296
2	47	-18	324
3	38	-27	729
4	74	9	81
5	65	0	0
6	92	27	729
7	56	-9	81
8	83	18	324
9	101	36	1296
N = 9	Total = L = $\sum X = 585$		$\sum x^2 = 4860$

$X_{av} = : L / \text{No. of candidates present for that particular shift} = 585/9 = 65$

$$\text{Standard Deviation} = \sqrt{(\sum x^2)/N} = \sqrt{4860/9} = \sqrt{540} = 23.24$$

Total Raw Scores for all candidates in a shift (L)

Sum of Raw candidates raw scores (X) for all candidates in a shift

$$: L = \sum X$$

In the SD example L=585

Simple Average (Xav)

Total Raw score for all candidates in a shift (L) / Total candidate (Present) count for a shift

: L / No. of candidates present for that particular shift.

In the SD example Xav = 65

Standard Deviation (S)

Calculated at a shift level based on the candidate's normalized scores (J)

To be calculated as explained in the example

Normalized Score for each candidate (Xn)

$$X_n = (S_2/S_1) * (X - X_{av}) + Y_{av}$$

S2	Is the SD of the shift with the Highest Average Score taken as base for normalization
S1	Standard Deviation for the corresponding shift (to be scaled to S2)
X	Raw score of a candidate
Xav	Simple average of the Shift
Yav	Average corresponding to shift with highest Average (taken as base for normalization)

Criteria for choosing the base for normalization is generally taken as the shift with 'Highest Average' of raw scores. Only exception is made if this shift (with highest average) has far less number of candidates as compared to other shifts. In that case we take the next shift with 'highest Average' as base for normalization.

70% of the average attendance is the limit. Any value below this should not be considered for the base.
